INJURY PLAY ACT USED? Y / N

Example Scoring: Kicker A fouls twice, then kicks a double. Kicker B kicks a single that moves kicker A to third base. Kicker C kicks a triple that scores kicker A but kicker B is tagged out at home. After the next two kickers pop-out, "CO" is marked for each out and the score is marked as: (inning score) then in the next inning the team scores 2 more runs.

FO = forced out, TO = tagged out, CO = caught out, HO = hit (with ball) out, SO = strike out (i.e. 4 fouls)

"Line-up Rule" (Rule C.4) : Kicking lineups must contain between 8 and 12 spots. In a lineup of 11 or fewer kicking spots, there must be three spots designated exclusively to male players and three exclusively to female players. If a lineup contains 12 kicking spots, 4 must be exclusively designated for male and female each. Two players may share one spot in the kicking order as long as: (a) Both players kick and field at least once during the game. (b) The lineup already contains 10 kicking spots. (c) The minimum male and female kicking spot designation is still met.
