  - b) Question parking lot in advance so we have questions in advance
  - c) Find an old agenda and modify it
  - d) Everyone pick a section of material to cover
- 2) Games
  - a) Masks? Ref enforced. 2 strikes rule (warning then ejection/IFU)(add it to the game notes and consider further action if needed). Buy some disposable masks to have on hand. Sell KVKL masks.
  - b) What else do we need to reinforce? Huddles, high fives, crowd size? Hard to enforce so let's focus on spreading the game locations out
  - c) Should we change the game times?
  - d) Game of the week yes/no. Mostly leaning toward no gotw, but could reassess later
  - e) What would a live stream gotw look like? Concerns about having it at 9 because people might try to attend
  - f) Voted on having no gotw, recording a 5 or 7 o'clock game, and airing it at 9 (5 year 2 day)
  - g) Continued discussion on the option of airing a live game at 9 as opposed to pre recorded. Bottom line is we feel like we can't police it/don't want to
  - h) Decided that we will **try to live stream a 9 o'clock game of the week** but don't want to do it at Hobbs
